WHARF MATTERS SETTLED

Mattapoisett Selectmen spent the major part of their meeting on wharf matters in order to jell matters there for the boating season. Edward F. Alves, newly elected Wharf Commissioner; Karl Collyer, present Harbor Master; were present for the discussion. Mr. Collyer, who was appointed Harbor Master last year, had indicated earlier that he would like to continue in that capacity. Selectmen had, in the interim, sought town counsel opinion on the possible separation of the Wharf Commissioner-Harbor Master duties into two jobs. The Selectmen first asked Mr. Alves if he were agreeable to a separation or if he wanted to serve in the dual capacity as has been the case previously. Mr. Alves said that in his opinion Collyer had done an excellent job as Harbor Master. He said that the wharf has become increasingly busy and he thought it would be an advantage to have a divided responsibility. He said that he is a national guardsman

and is on regular call and in that period would like someone familiar with the wharf to fill in for him. He suggested that Mr. Collyer would be a logical selection.

Winfield Jenney, a former Wharf Commissioner-Harbor Master, took issue with the division of those jobs. Mr. Jenney, as an interested citizen, pointed out that a

1949 vote of the town meeting and another vote in 1955 clearly established a precedent for the Wharf Commissioner to also serve as Harbor Master. Mr. Jenney strongly maintained that the 28 year practice represented the will of the town and should be followed. Mr. Jenney said that he saw no reason to ignore the vote of the town as established for that period. Board of Selectmen Chairman R. William Blasdale offered the Town Counsel opinion on the issue. In the opinion of Attorney Donald Fleming, Town Counsel, the 1949 and 1955 vote of the town is advisory in nature. He opined that the language in the state stature does not cover the vote of the town in the year 1955 and therefore the Selectmen have the discretion to appoint both a Harbor Master and Assistant Harbor Master under the stature.

In the event of a change, the attorney said that Selectmen should be prepared to explain the action to the voters as a courtesy. Chairman Blasdale asked both Alves and Collyer if they were willing for the change and obtained agreement. He said that the harbor work is increasing and now is too much for one person.

Mr. Jenney again maintained that the town meeting vote was being canceled and left the meeting in some heat declaring that he could see that he was not going to change

Selectman William Hubbard motioned that Karl Collyer be named Harbor Master and that Edward Alves be named Assistant Harbor Master. The vote was 2 to 1. Selectman John DeCosta voted in the negative. Mr. DeCosta had earlier suggested that the town meeting vote could be followed if Alves were Harbor Master and Collyer named his assistant. The other Selectmen felt that if Collyer were doing the harbor work he should have the official title.

The Selectmen then reviewed the new wharf rules and regulations with the Wharf Commissioner. To avoid the congestion on the wharf, privilege stickers will be required for town residents to park on the wharf. Cars will not be allowed to park on the wharf without these stickers except between the hours of 5 and 11 on band concert and square dance nights (Tuesdays and Saturdays). Wharf rules will be posted to inform people at the wharf.

For Mattapoisett residents, emergency repair on the gravel area will not be charged for a 2-week period. Routine maintenance will be without charge for no longer than 5 days. Non-residents will be charged starting the 4th day for emergency repair. Non-residents will be charged a minimum of 15¢ per foot per day for general maintenance starting when the boat is hauled out. Trailer owners will be charged $3.00 per day every day for parking on the weekends. Trailers will not be allowed to park on the town streets but must park on the designated area in front of the bandstand. A $5.00 fee will be charged for dockage at the east side of long wharf.

The constant vandalism at the wharf was explored to try to come up with solutions. The restrooms at the wharf continue to be the target for vandals who break open the locked doors and destroy the fixtures and make a shambles of the rooms. The Board of Selectmen decided to install steel doors on these restrooms. A spotlight will be located to light both the entrance of the men's room and the public telephone which has been destroyed.

NAMED OLD COLONY REPRESENTATIVE

Moderator James Huntoon, Chairman Susan Hottel, John Gannon and Dorothea Pierce of the Mattapoisett School Committee, and the Board of Selectmen sat in joint committee and nominated and elected Vincent Worden to serve as Mattapoisett representative to the Old Colony Regional Vocational Committee.

APPOINTED TO FINANCE COMMITTEE

Lawrence F. O'Connor, Acushnet Road, was appointed to fill the vacancy on the Finance Committee. He will serve until July 1, 1979 to fill the unexpired term of the late Joseph Travis.

STATE REP. CHARLES DECAS VISITS

State Representative Charles Decas sat through the long wharf business which he said was familiar and interesting to him as a recent former Selectman of Wareham. He then invited the Board of Selectmen to inform him of their opinions on pending legislation.

Mr. Decas said that is is almost never that members of the General Court hear from taxpayers. Only those with lobbies and

He invites the general public to direct information requests for assistance and opinion on state matters to his office at 245 Main Street, Wareham, which is open Wednesdays, Thursdays and Fridays. Anyone is welcome to contact this office. Mr. Decas said he is also interested in coming to Mattapoisett Town Hall on a regular basis to make himself available to the townspeople.

NO BOULDERS AT PARK

Selectmen decided that a suggestion to outline the driveways at Veterans' Memorial Park with boulders as a deterrent to drivers who drive all over the grass would destroy the park as a playground and spoil its appearance.

Clean Up Day

TOWN CLEAN-UP DAY

Mattapoisett residents are reminded that this Saturday, May 14th is the town clean-up day. The Lions Club, the sponsoring organization, is asking all interested people of any age to report to the Center School grounds at 9:00 A.M.

The clean-up will last from 9:00 to 12:00 Noon and will be followed immediately by a cookout at Ned's Point. It will concentrate primarily on less populated roadside areas where the need is greatest. Routes will be allocated when volunteers arrive at Center School. Each volunteer will be put on a clean-up team of six to eight people, and transportation will be provided to and from each target area. Trash bags will be provided, and trucks will be available to bring the trash bags to the sanitary landfill when they are full.

The Woman's Club, Girl Scouts, Boy Scouts and the Senior High Youth Fellowship of the Congregational Church have volunteered members for the clean-up. The Lions Club invites all other adults and young people to join with them and their families in this effort. The number of areas covered will depend on the number of volunteers.

Miss Wareham

The Scholarship Pageant Committee which is preparing the annual Miss Wareham Scholarship Pageant to be held on May 21 at Old Rochester Regional High School Auditorium has announced that several contestants have made entry into this year's contest. The franchise area includes the following towns: Wareham, Marion, Rochester, Mattapoisett, Carver, Plymouth, Middleboro, Bourne and all of Cape Cod. Entries from surrounding towns have applied for this year's scholarships to be awarded to the winners. The Miss Wareham Pageant is a Miss America preliminary which entitles the winner to participate in the state pageant to be held in New Bedford in July.

The reigning Miss Wareham, Kathy Laura Sylvia, will crown her successor following an exciting year that included many appearances in the area. Miss Sylvia is presently a senior at the University of Massachusetts and will graduate in June. Having participated in this type of program Miss Wareham now shares honors with many other young ladies who have entered the Miss America type pageants.

Any young lady between the ages of 17-26, possessing talent, poise, charm, and desires to further her education through competition in the following areas: swimsuit, talent, evening gown and personal interview, may enter the Miss Wareham Pageant.

This year Pageant Director Rita L. Blair will bring back two former Miss Warehams as part of the production. Serving for the second time as Mistress of Ceremonies will be the extremely talented Miss Carol Ann Hanley and assisting her will be the also talented Miss Barbara Pajunen, both of these young ladies were State Talent Preliminary winners. These two young ladies will be providing many of the diversified portions while the contestants are preparing for their competitive parts of the pageant.

Tickets are available from the members, contestants and may be purchased at the

Rochester 300

... 1679-1979

Just a reminder that the Rochester 300 Committee will meet Friday, May 13th, at 7:30 P.M. at the "Old Town Hall" in Wareham.

Residents of Mattapoisett, Marion, Rochester and Wareham are invited to come, put their heads together, and come up with ideas to celebrate the 300th anniversary of the founding of our mother town, Rochester.

We won't put you on a committee, or stick you with a job, or ask money or favors...we just want ideas, enthusiasm and interest.

We have films to show of events in other towns which we would like to incorporate into our plans, if we can get a sponsoring organization.

Organizations, people or corporations who want to sponsor a specific event would be wise to speak now for that event and for a date in 1979, if they have a choice. When our calendar builds, it will build fast, and the pleasant days of 1979 will be full all too soon.

Memorial Day Plans

The Memorial Day Parade Committee of the American Legion, Post #280, (Florence Eastman) has just completed plans for Memorial Day exercises and parade. The exercises will be held at the Public Library on Barstow Street at 1:30 P.M. on Monday, May 30th.

The memorial prayer will be delivered by the Rev. Allen Tinkham. The "Gettysburg Address" will be recited by John N. DeCosta, Jr. of 32 Park Street, Mattapoisett (an 8th grade student) from Old Rochester Regional Junior High School.

Guest speaker for the occasion will be Rear Admiral E. H. Batcheller, U.S. Navy (retired), who resides on Neck Road, Mattapoisett.

The Old Rochester Regional High School Band will entertain by playing the "South Dakota State College March" and John Philip Sousa's "Stars and Stripes Forever" as the first two selections of the program. The Old Hammondtown School Band will also entertain, playing "General Grant March" and "America the Beautiful", concluding the event with our national anthem, "Star Spangled Banner".

All units in the parade will form in front of the monument for Memorial Services.

ORDER OF PARADE: The parade will form on Barstow Street, headed north. The parade will proceed to Church Street, right to North Street, right to Water Street, west on Water Street to the Town Wharf for Memorial Salute to the men lost at sea; then west to Water Street to Main Street and to Acushnet Road to Cushing Cemetery.

After the ceremonies there, the parade will proceed to Legion Hall for dismissal. Refreshments will be served to the marchers by members of the American Legion Post #280 Auxiliary.

In case of rain the parade will be omitted and the ceremonies will be held at the Gilbert D. Bristol Auditorium, Old Rochester Regional High School at 2:00 P.M.

Parade Marshalls will be Lt. Col. George White and Major Charles Morgan.

Fire Dept. News

This past week the Fire Department responded to two working fires within a 24-hour span.

May 7th, 5:30 P.M., Shady Oak Drive - all companies responded to a working house fire; May 8, 5:40 P.M., corner of Water and Pearl Streets - all companies responded to a working house fire.

The Rescue Team had their regular weekly drill on Thursday night. Dr. Souza from New Bedford gave a talk on emergency room procedure.

On Saturday the Rescue Team held a demonstration at the Congregational Church.

I would like to take this opportunity to commend the Fire Department for a job well done on the two working fires.

Letter to the Editor

In the April 27th editorial concerning Carter's energy policy there were some good points made about the use of taxes to control the people. However, there was one statement made which I question; namely "...that the majority of people are responsible, self-supporting, mentally capable adults worthy of trust and confidence."

If the majority of people were truly responsible, we would not have an energy crisis; we would be driving sensible cars and living in well insulated, energy-efficient homes already. Neither are we self-supporting - besides our dependence on foreign oil, we also must import many raw materials to keep our standard of living where it is. And finally, judging from the insane amount of waste in our country, I would even question our mental capability.

I believe that a majority of us act primarily from pure self-interest - me and mine first. Such motivation is hardly worth trust nor does it encourage confidence. It seems that the government has no choice but to raise the price of energy to force conservation, as the majority of the people can't be trusted to be responsible enough to conserve energy themselves!

Thank you.

Sincerely,
Peter T. Leonard, Marion
